Continued on the back. Read to the end!

5. How can it be received? (Payment Method)

(1) Child allowance recipient

In principle, the allowance is transferred into the bank account that received child allowance in October 2025* or the bank account specified in the notification form.

(*December 2025 for children born in September 2025)

(2) Guardian who applied (falls under “6”)

The allowance is transferred into the bank account specified in the application.

Note: If the transfer is unable to be processed due to your bank account's closure, change, or the like, you will not receive your payment. Be sure to contact the help desk below by February 20, 2026

6. Who needs to apply?

In principle, the following people need to apply. Submit the enclosed application.

- Guardians of children born from October 1, 2025, to March 31, 2026
- Public servants receiving child allowances from their government office (see “For public servants” below)
- Guardians who had to apply for child allowances on or after October 1 due to a divorce (including divorce mediation and the like)

7. What if...

■ What if I moved?

The allowance is transferred from the municipality (including special wards) that paid the child allowance for September (October for children born in September 2025) into the bank account receiving child allowances or the bank account specified in the notification form. For any inquiries, contact the aforementioned municipality where you used to live.

■ What if my child/children and I have fled our home due to domestic violence?

If you have already completed procedures to change the recipient of child allowances in the municipality to which you have fled, you can receive this allowance. Contact the municipality as soon as possible. You do not need to update your certificate of residence or contact your spouse's municipality.

For public servants

For public servants, confirm the procedure details with your government office first. To ensure smooth payment of the allowance, we recommend registering a Public Money Receiving Account. (Please note that just registering a Public Money Receiving Account will not complete the application procedures for this allowance.)
